WHEREAS, the Board of Trustees of the Bricklayers and Allied Craftworkers Local 2, Albany, New York Pension Fund, the Board of Trustees of the Bricklayers and Allied Craftworkers Local 2, Albany, New York Health Benefit Fund, the Board of Trustees of the Bricklayers and Allied Craftworkers Local 2, Albany, New York Annuity Fund and the Board of Trustees of the Bricklayers and Allied Craftworkers Local 2, Albany, New York Training Fund (hereinafter referred to jointly as the “Trustees”) have a duty under the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (hereinafter referred to as “ERISA”) to make all reasonable efforts to collect all Employer contributions, including interest and liquidated damages thereon, owed to the Bricklayers and Allied Craftworkers Local 2, Albany, New York Pension Fund, Bricklayers and Allied Craftworkers Local 2, Albany, New York Health Benefit Fund, the Board of Trustees of the Bricklayers and Allied Craftworkers Local 2, Albany, New York Annuity Fund and the Board of Trustees of the Bricklayers and Allied Craftworkers Local 2, Albany, New York Training Fund (hereinafter jointly referred to as “Funds”); and

WHEREAS, pursuant to various collective bargaining agreements between certain employers or their representatives (hereinafter referred to as “Employers”), and Bricklayers and Allied Craftworkers Local 2, Albany, New York, AFL-CIO (hereinafter referred to as the “Union”), Employers are required to make prompt payments of the contributions owed to the Funds and are bound by the Agreements and Declarations of Trust of the Funds (hereinafter referred to as the “Trust Agreements”); and

WHEREAS, Article II, Section 2, of the Funds’ Trust Agreements empowers the Trustees to demand, collect and receive Employer payments and all other money and property to which the Funds may be entitled, and to take such steps including the institution and prosecution of, or the intervention in any proceeding at law, or in equity, or in bankruptcy, as may be necessary or desirable, in their sole discretion, to effectuate the collection of such Employer contributions; and

WHEREAS, Article III, Section 10, and Article III, Section 14, of the Funds’ Trust Agreements authorize the Trustees of the Funds to promulgate any and all such rules and regulations as they deem necessary to facilitate the administration of the Funds, including such rules, regulations and Collections Policy as are required to govern the process for the collection of Employer payments; and

WHEREAS, Section 515 of ERISA requires every Employer who is obligated to make contributions to the Funds under the terms of any collective bargaining agreement or under the terms of the Plan to make such contributions in accordance with the terms and conditions of the Funds’ Trust Agreements; and

WHEREAS, in keeping with the relevant provisions of the Trust Agreements, it is deemed desirable by the Trustees to formulate a written policy to be applied uniformly to the collection of Employer contributions, containing certain terms and conditions governing the payment of Employer contributions to the Funds;

NOW, THEREFORE, it is resolved that the Trustees hereby adopt a Collections Policy as follows:

Section 1. Payment of Contributions; Late Payments

(a) All remittance reports and all contribution payments to the Funds must be received on or before the fifteenth (15th) day of the month following the month during which the hours, for which contributions were required, are worked by the employees.

(b) If no report or payment has been received by the Funds on or before the deadline set forth in Section (a), the Funds will pursue whatever avenues they deem appropriate to collect the delinquencies, including, but not limited to, notifying such Employer that the contributions are late.

(c) If no payment has been received by the Funds on or before the forty-fifth (45th) day following the end of the month during which the hours, for which contributions are required, were worked by the employees [i.e., within thirty (30) days after the deadline set forth in Section (a)], the Employer’s delinquent account may be referred to the Funds’ Counsel. If no payment has been received by the Funds on or before the forty-fifth (45th) day following the end of the month during which the hours, for which the contributions are required, were worked, the Employer will be assessed, and will be obligated to pay, interest on the amount of delinquent contributions at the rate of twelve percent (12%) per annum, calculated from the thirtieth (30th) day after the deadline set forth in Section (a), plus any auditing fees and costs pursuant to Section 2 herein. In addition, the Employer may be assessed liquidated damages equal to twenty percent (20%) of the delinquent fringe benefit contributions.

(d) If no payment has been received by the Funds on or before the sixtieth (60th) day following the end of

the month during which the hours, for which contributions are required, were worked by the employees [i.e., within forty-five (45) days after the deadline set forth in Section (a)], the Employer's delinquent account may be referred to the Funds' Counsel. If no payment has been received by the Funds on or before the sixtieth (60th) day following the end of the month during which the hours, for which contributions are required, were worked, the Employer will be assessed, and will be obligated to pay, interest at the rate of twelve percent (12%) per annum, calculated from the forty-fifth (45th) day following the end of the month during which the hours were worked by the employees, plus any auditing fees and costs pursuant to Section 2 herein. In addition, the Employer may be assessed liquidated damages equal to twenty percent (20%) of the delinquent fringe benefit contributions.

(e) If Fund Counsel performs services, which may include, but are not limited to, the commencement of legal or agency proceedings against the Employer, to recover the amounts owed to the Funds pursuant to this section, the Employer is obligated to reimburse the Funds for all attorneys' fees and paralegals' fees, auditing fees, and all costs and disbursements incurred by the Funds in attempting to collect the Funds' monies.

(f) In the event the Funds do not commence a lawsuit or other proceedings to collect delinquent fringe benefit contributions, in the event a lawsuit or other proceedings is settled prior to a judgment or resolution being obtained by the Funds, or in the event the delinquent contributions are paid either prior to commencement of the lawsuit or proceedings or prior to judgment or other resolution, the Funds are still entitled to collect, and the delinquent Employer is still obligated to pay, the interest, liquidated damages, audit fees, attorneys' and paralegal fees, costs and disbursements set forth in this Policy.

(g) Except as may be otherwise required by law, the Trustees, in accordance with their fiduciary obligations to act in the sole interest of the Funds and the participants and beneficiaries, shall have the power and authority, in their sole discretion, to allocate and disburse payments remitted by an Employer and shall have the power and authority, in their sole discretion, to allocate and disburse payments to current obligations or past due obligations of the Employer. Such allocation and disbursement shall be binding upon the Employer; the Employer's request that the Funds allocate and disburse payments in a particular manner and/or a different manner than chosen by the Funds shall be of no force and effect.

(h) In the event the Employer does not maintain or otherwise does not have in its possession records explaining, to the satisfaction of the Funds' Auditor, the payment of monies to an Employee, or the Employee's spouse, children, parents and/or siblings, the Funds are entitled to presume that the individual receiving the monies performed bargaining unit work and that the monies represent compensation for bargaining unit work performed by the individual. The Funds are entitled to recover contributions for such individual at the journeyman contribution rate for the applicable work area, with the hours of bargaining unit work calculated by dividing the Employer's payments to the individual by the journeyman wage rate in the applicable work area. Contributions must be paid by the Employer pursuant to this Section regardless of the amount of bargaining unit work actually performed by the individual, regardless of the amount of compensation paid, if any, to the individual during the month or calendar year, and regardless of whether the individual is listed as an employee on the Employer's records.

(i) Employers are obligated to maintain complete and accurate records of the number of hours of bargaining unit work performed on a monthly basis by each and every individual, including, but not limited to, corporate officers, directors, members and shareholders, and spouses, children, parents and/or siblings of corporate officers, members, directors, and/or shareholders. If the Employer does not maintain or otherwise have in its possession such complete and accurate records and the Funds otherwise have evidence that an individual has performed some bargaining unit work for the Employer, the Employer agrees that the Funds are entitled to presume that the individual performed a minimum of forty (40) hours per week of bargaining unit work for fifty-one (51) weeks during the calendar year. The Employer further agrees that in these circumstances the Funds shall be entitled to recover contributions at the journeymen rate set forth in the collective bargaining agreement governing the Employer's work and the applicable work area for a total of the two thousand forty (2,040) hours for the calendar year. The two thousand forty hours (2,040) per year shall be paid at the rate of one hundred seventy (170) hours per month for each and every month. Contributions must be paid by the Employer pursuant to this Section regardless of the amount of bargaining unit work actually performed by the individual, regardless of the amount of compensation paid, if any, to the individual during the month or calendar year, and regardless of whether the individual is listed as an employee on the Employer's records.

Section 2. Audit of Payroll and Related Records

(a) Article IV, Section 4, of the Funds' Trust Agreements are incorporated herein. The Trustees may at any time examine and copy such books, records, papers, or reports of the Employer, including, but not limited to, payroll records, time cards, accounts payable records; general ledger; cash disbursements journal, hours reports,

names and social security numbers of all employees (union and non-union employees), as they deem necessary to permit them to determine whether the Employer is making full and proper reports and payments to the Funds. Such examination will occur whenever such examination is deemed necessary or advisable by the Trustees and, except as indicated below, at no charge to the Employer. If it is found by the Trustees, however, that the Employer has violated its obligations under the rules, regulations and/or Trust Agreements of the Funds including, but not limited to, its obligation to timely remit fringe benefit contributions to the Funds, then the Employer will reimburse the Funds for all auditing charges for examining the Employer's books, except where the Trustees determine that such violation has been uncovered by the Funds during the course of their routine cyclical audit of the Employer.

(b) If it is necessary for the Funds' Counsel to perform services, including the commencement of a lawsuit or other proceedings, to obtain the audit and to compel the Employer's production of its records, the Employer will be liable for all auditing fees, attorneys' and paralegal fees, court costs, disbursements and expenses incurred by the Funds in enforcing the Funds' right to audit and/or examine the Employer's books, regardless of whether the Employer is delinquent in payment of contributions or in violation of any of its other obligations under the rules, regulations and/or Trust Agreements of the Funds.

Section 3. Bonding

(a) The Funds may require any Employer to furnish a bond to secure payment of contributions to the Funds. In lieu of the bond, the Funds may require such Employer to deposit cash with the Funds or deliver alternative security or collateral in such types, forms and amounts as the Funds in their judgment deem to be appropriate. The bond or other collateral/security shall be in such amount as the Funds determine to be appropriate in the circumstances.

(b) Every Employer who is required to post a bond shall deliver to the Funds' office such surety bond in a form approved by the Funds. The surety bond must be executed by the Employer and a corporation surety company licensed to do business in the State of New York. Such bond shall name the Funds as obligee and shall guarantee the full and faithful performance of the Employer's obligation to remit contributions, interest, liquidated damages, attorneys' and paralegal fees, auditing fees, and costs to the Funds. The bond shall not be cancelable without one hundred twenty (120) days written notice to the Funds, which notice provision shall be made a part of the applicable bond provisions. The Funds' right to recover under the bond shall not be subject to or conditioned upon notice to the delinquent Employer of a default on its obligations.

(c) The Funds' Administrator will determine the amount of the bond and secure the bond from the Employer after consultation with Trustees. The amount of the bond or cash security shall be based on the estimated number of workers to be employed by the Employer and the estimated duration of the job(s). The amount required shall be based on a calculation of the hourly costs of the fringe benefit package multiplied by the projected hours of work for a five (5) month period or the length of the job, whichever is less.

(d) If an Employer who is required to post a bond fails to do so, the Board of Trustees, or any duly authorized representative of the Board, may immediately refer the matter to Funds' Counsel for institution of legal proceedings. If it is necessary for the Funds' Counsel to perform services, including the commencement of a lawsuit, to compel an Employer to post a bond, the Employer shall be liable for all attorneys' and paralegal fees, court costs, disbursements and other expenses incurred by the Funds.

Section 4. Effect of This Collections Policy

This Collections Policy constitutes a rule of the Funds. To the extent this Collections Policy conflicts with the terms and provisions of the Funds' Trust Agreements or the Collective Bargaining Agreement, the terms and provisions of this Collections Policy will govern.

Failure by the Trustees to adhere to any provision provided herein shall not abrogate, alter or amend any other provision, duty or requirement of this Policy and shall not constitute a waiver by the Trustees and shall not relieve the contributing Employer of any obligation under ERISA.

Section 5. Contributions are Trust Assets

Title to all monies paid into and/or due and owing to the Funds shall be vested in and remain exclusively in the Trustees of the Funds. Outstanding and withheld contributions constitute Plan assets.

All monies received by an Employer from any source for work performed by employees represented by the Union shall be held in trust by the Employer. The Employer shall disburse the monies first for the purpose of paying wages owed to the employees represented by the Union and fringe benefit contributions owed to the Fund

on behalf of the employees' labor. If the Employer owes any wages to the employees represented by the Union and/or owes any monies to the Fund on behalf of the employees' labor, it may not utilize the monies received by it in connection with its employees' labor for its own obligations or those of its officers, shareholders or directors.

Copies of the Collections Policies and any amendments or modifications thereto may be obtained from the foregoing Funds.
